Professional Experience

The Boeing Company | Global Commercial Aerospace & Aviation

Everett, WA

Program Management – SQSS BCA (767 & 777x) Intern

Jun. 2026 – Sep. 2026

- Led the No Fault Found (NFF) project and supported the Supplier Nonconformance Notification (SNN) initiative through project planning, stakeholder coordination, milestone tracking, and cross-functional execution across key program teams
- Analyzed supplier quality trends and nonconformance data across 100+ cases to identify recurring issues, track corrective actions, support supplier quality improvements, strengthen process improvements, and improve cross-functional visibility

Expeditors | Global Logistics & Freight Forwarding

Torrance, CA

Customs Brokerage Intern

Jun. 2025 – Sep. 2025

- Utilized Excel (PivotTables, X-LOOKUP, and INDEX) to clean, organize, and analyze high-volume customs brokerage data, improving KPI reporting accuracy and visibility across entry, release, billing performance, and total operational performance
- Reviewed 400+ import entries weekly for U.S. Customs compliance, reducing clearance delays to support timely clearances

Grandview Builder | Residential Contracting & Project Management

Hayward, CA

Project Manager

Jun. 2023 – Dec. 2023

- Delivered 4+ large-scale construction projects on time and under budget, saving \$100K+ through material procurement negotiations, vendor management, proactive schedule coordination, cost-conscious project planning across multiple phases
- Managed an average of 5 Earthquake Brace + Bolt projects a week, liaising field activities to achieve zero project delays

Relish | Influencer Marketing & Analytics Startup

San Francisco, CA

Management & Marketing Intern

Oct. 2024 – Jan. 2025

- Increased customer acquisition by 25% by improving influencer outreach workflows, refining target audience selection, and using campaign performance data to focus efforts on the highest-converting opportunities to strengthen overall effectiveness
- Developed, launched, and led a social media marketing initiative, coordinating strategy, execution, and team responsibilities

Projects & Leadership Experience

Zovo | Rideshare Operations

Los Angeles, CA

Program Lead

Jul. 2025 – Oct. 2025

- Led development, coordinating product strategy, operations, pricing, and business planning from concept through prototype
- Conducted market research to evaluate customer needs and competitor gaps, pivoting strategy and refine the business model

Vetra | Startup Operations Consulting

Los Angeles, CA

Program Lead

Aug. 2025 – Dec. 2025

- Designed operating frameworks for startup clients, improving workflow clarity, KPI tracking, and strategic decision-making
